

# GREAT AMERICAN OUTDOORS ACT

## Color Country and Paria River Districts Recreation Site Repairs

Project ID: L208

Recreational Assets Project

UTAH

### District or Unit Name:

Color Country and  
Paria River Districts

**Recreational Values:** Archaeological site, ATV/UTV use, backpacking, biking, birding, camping, day use area, four wheeling, hiking, historic site, horseback riding, hunting, interpretive site, photography, picnicking, recreational vehicles, wildlife viewing

**Description:** This project will repair recreation assets at Grand Staircase-Escalante National Monument, Red Cliffs National Conservation Area, and various recreation areas, campgrounds, and trailheads in southern Utah. Architectural Barriers Act (ABA) improvements will be made to stabilized parts of the Anasazi Valley Trail and several campsites to improve the visitor experience. Additional repairs include road repairs and bridge replacements to improve visitor access to these popular public land destinations.

### GAOA Funding, Fiscal Year 2022:

**\$4,500,000**

### Estimated Deferred Maintenance Reduction:

**\$6,159,000**

Through project efficiencies and other cost-saving measures, the funding received is anticipated to address a larger amount of deferred maintenance backlog.

### Total Economic Impact of Project:

Calf Creek picnic area

White House Road low water crossing

### Priorities Addressed:
