

GREAT AMERICAN OUTDOORS ACT

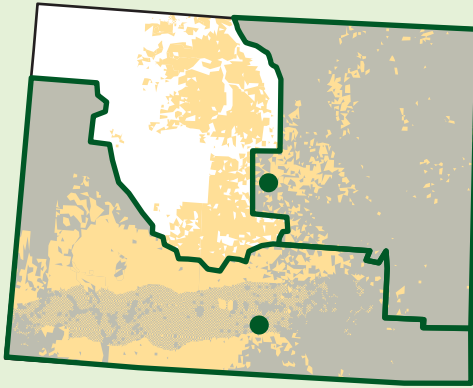

Wyoming BLM Dam Safety Repairs and Maintenance Projects

Project ID: L204

Water and Utilities Project

WYOMING

District or Unit Name:
High Desert and High Plains Districts

Recreational Values: Boating, fishing, hiking, hunting, picnicking, wildlife viewing

Description: This project repairs three high hazard dams (Little Sage Creek, Little Robber, and Snyder Creek) and associated features. The repair of dam spillways, gates, and outlet structures will improve the safe operation of the dams. Additional embankment maintenance and installation of protective riprap will stabilize the dams and prevent seepage and erosion.

GAOA Funding, Fiscal Year 2022:

\$2,795,000

Cost

Estimated Deferred Maintenance Reduction:

\$4,517,000

Benefit

Through project efficiencies and other cost-saving measures, the funding received is anticipated to address a larger amount of deferred maintenance backlog.

Total Economic Impact of Project:

42
jobs supported

\$4.4 million
in economic contributions

Little Sage Creek

Little Robber Dam

Priorities Addressed:
