

GREAT AMERICAN OUTDOORS ACT

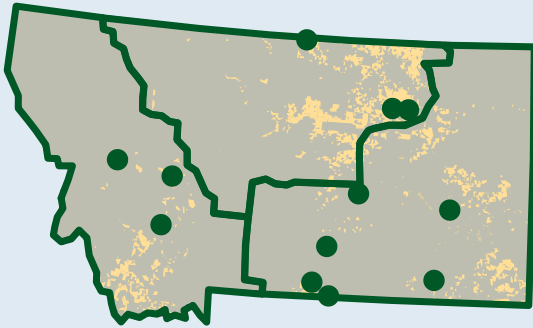

Recreation, Roads, Dams, and Building Repair Project

Project ID: L312

Recreational Assets Project

MONTANA

District or Unit Name: Eastern Montana/Dakotas, North Central, and Western Montana Districts

Description: This project will repair outstanding maintenance on dams, roads, recreation sites, and buildings across BLM managed lands in Montana. Work includes repairs to dam embankments and associated infrastructure, grading and resurfacing aggregate roads, renovating trailheads to improve safety and visitor experience, and repairing administrative buildings and associated infrastructure to provide efficient operations and reduce future maintenance costs.

Depression Dam

Rural, BLM-managed road requiring repairs

Recreational Values: Auto touring, backpacking, biking, birding, boating, camping, canoeing, environmental education, fishing, float trips, gold panning, hiking, historic sites, horseback riding, hunting, interpretive programs, kayaking, mountain biking, off-highway vehicle use, paddling, photography, picnicking, rafting, scenic viewing, snowmobiling, wedding events, wild and scenic river, wilderness, wildflower viewing, wildlife viewing

GAOA Funding, Fiscal Year 2023:

\$7,681,000

Estimated Deferred Maintenance Reduction:

\$8,500,000

Through project efficiencies and other cost-saving measures, the funding received is anticipated to address a larger amount of deferred maintenance backlog.

Total Economic Impact of Project:

Priorities Addressed:
