CALIFORNIA INDEX TO MISCELLANEOUS DOCUMENTS

DOCUMENTS APPLYING TO LANDS NOT SPECIFICALLY DESCRIBED ON WHICH CONDITIONS RESTRICTING DISPOSAL OR USE MAY EXIST

DOCUMENT DESIGNATION	DATE	NATURE AND EFFECT OF ACTION AND AMENDMENTS	REMARKS
Act of Cong (Enabling Act)	3/3/1853	Granting Sec. 16 and 36 to the State of California. Extended to mineral lands by Act of 1/25/1927.	
Act of Cong (36 Stat. 847) a.k.a. Pickett Act	6/25/1910	Authorized the President to withdraw and reserve public lands for any purpose. Section 2 of the Act provided that all land so withdrawn remained open to exploration, discovery, occupation and purchase under the General Mining Laws of the United States, so far as the same applied to minerals other than coal, oil, gas and phosphates.	Amended in 8/24/1912
Act of Cong (37 Stat. 497) a.k.a. Pickett Act	8/24/1912	<u>Amended</u> Section 2 of the Act of 6/25/1910 to read that all lands so withdrawn would be open for exploration, discovery and development of metalliferous minerals under the mining laws. Also provided that in certain states, including California, no forests could be created, or lands added to existing forests, except by Act of Congress.	
Act of Cong (41 Stat. 437)	2/25/1920	Provides for the leasing of oil, gas, coal, potassium, sodium, phosphate, and oil shale, native asphalt, solid and semisolid bitumens and bituminous rock including oil impregnated rock and sands from which oil is recoverable only by special treatment after the deposit is mined or quarried and lands containing such deposits owned by the U.S. in the public domain.	Amended and supplemented by (not listed) Acts of 4/17/1926, 2/7/1927, 8/8/1946 and 9/2/1960

Miscellaneous Document Index

DOCUMENT DESIGNATION	DATE	NATURE AND EFFECT OF ACTION AND AMENDMENTS	REMARKS
Executive Order	4/17/1926	Creates Public Water Reserve 107 by withdrawing every smallest legal subdivision of the public land surveys which is vacant, unappropriated and unreserved public land containing a spring or water hole, and all lands within ¼ mile of every spring or water hole located on unsurveyed public lands is withdrawn from settlement, location, sale, or entry and reserved for public use and in aid of legislation.	
Executive Order 5326	4/14/1930	Temporary withdrawal of all unreserved islands, rocks and pinnacles situated in the Pacific Ocean off the coast of California for classification and in aid of legislation.	Rev PLO 6369 4/11/1983
Executive Order 5327	4/15/1930	Temporary withdrawal of lands owned by the U.S. containing deposits of oil shale from lease or other disposal and reserved for purposes of investigation, examination and classification. Lands may be rejected from offers or application if classification procedures determine such lands contain oil shale deposits.	Amended by (not listed) Executive Order 6016 2/6/1933, Executive Order 7038 5/13/1935, Public Land Order 2795 10/19/1962
Executive Order 5389	7/7/1930	Withdrawal of every smallest legal subdivision of surveyed public land which is vacant, unappropriated and unreserved containing a hot or medicinal spring or spring with waters containing curative properties, and all lands within ¼ mile of such spring located on unsurveyed public lands are withdrawn from settlement, location, sale, or entry and reserved for Public Use.	Amended by Public Land Order 399 8/20/1947, Public Land Order 614 10/19/1949
Act of Congress (48 Stat. 1269)	6/28/1934	Repealed the Stock Raising Homestead Act of 12/29/1916 (39 Stat. 862), provided for establishment of Organized (Sec. 3) and Unorganized (Sec. 15) Grazing Districts, for classification of lands before nonmineral entry, for sales and exchanges of lands, and other purposes.	Amended by (not listed) Acts of 8/24/1937, 6/23/1938, 7/9/1942, 12/8/1942, 5/28/1948, 10/29/1949; (Listed) 7/16/1946, 9/19/1964.

Miscellaneous Document Index

DOCUMENT DESIGNATION	DATE	NATURE AND EFFECT OF ACTION AND AMENDMENTS	REMARKS
Executive Order 6910	11/26/1934	Temporary Withdrawal of all vacant, unreserved and unappropriated public land from settlement, location, sale, or entry and the reserve of such land for classification pending determination of the most useful purposes to which such lands may be put in consideration of the provisions of the Act of Congress 6/28/1934 and for conservation and development of natural resources.	Amended by Executive Order 7048 5/20/1935, Executive Order 7235 11/26/1935, Executive Order 7274 1/14/1936, Executive Order 7599 4/1/1937
Executive Order 7048	5/20/1935	Amends Executive Order 6910 11/26/1934 to include lands withdrawn or appropriated prior to Executive Order 6910 and subsequently released; also authorizes the Secretary of the Interior to effect exchanges of lands affected by Executive Order 6910 at his discretion.	
Executive Order 7235	11/26/1935	Amends Executive Order 6910 11/26/1934 to permit the sale or leasing of land under Act of June 28, 1934, and provides that the withdrawal shall not debar the recognition or allowance of non-metalliferous mining claims.	
Executive Order 7274	1/14/1936	Amends Executive Order 6910 11/26/1934 to exclude all lands within grazing districts from classification when such lands remain or become a part of a grazing District.	
Executive Order 7599	4/1/1937	Amends Executive Order 6910 11/26/1934 to exclude lands which upon acceptance of survey would otherwise become part of a school land grant of the described school sections (Sections 16 & 36).	
Executive Order 9146	4/24/1942	Authorizes the Secretary of the Interior to sign all orders withdrawing or reserving public lands under the Department of the Interior and all orders revoking or modifying such orders.	Superseded by Executive Order 9337 4/24/1943
Executive Order 9337	4/24/1943	Supersedes Executive Order 9146 4/24/1942 to include all other lands owned or controlled by the U.S.	Revoked by Executive Order 10355 5/26/1952

Miscellaneous Document Index

DOCUMENT DESIGNATION	DATE	NATURE AND EFFECT OF ACTION AND AMENDMENTS	REMARKS
Executive Order 9526	2/28/1945	Amends certain Executive Orders and Public Land Orders which withdrew lands for Emergency and War purposes. Sets expiration of jurisdiction of War Powers at six months from the end of an emergency period authorized by Proclamation 2487 5/27/1941, lands to remain withdrawn under the jurisdiction of the Department of the Interior or other Federal Agencies according to their respective interests.	
Executive Order 9613	9/13/1945	Withdrawal of all lands which contain deposits of radioactive mineral substances from sale and other forms of disposal under public land laws and reserve for use of the U.S. including lands acquired by, and in process of acquisition by U.S.	Revoked by Executive Order 9701 3/4/1946
EO 9633 9/28/1945		Reserving and placing certain resources of the Continental Shelf under the control and jurisdiction of the Secretary of the Interior.	
Executive Order 9701	3/4/1946	Revokes Executive Order 9613 9/13/1945, provides for the reserve of fissionable materials to the U.S. in public lands patented or conveyed from the U.S.	Revoked by Executive Order 9908 12/5/1947
Act of Congress (60 Stat. 1100)	7/16/1946	Reorganization Plan #3 transfers the functions of Secretary of Agriculture to Secretary of Interior with respect to uses of mineral deposits in certain lands. Further, the functions of the General Land Office and the Grazing Service are consolidated to create a new agency.- The Bureau of Land Management.	
Act of Congress (61 Stat.681)	7/31/1947	Provides for disposal of materials including, but not limited to, petrified wood and common varieties of sand, stone, gravel, pumice, pumicite, cinders and clay in the public lands of the U.S.	Amended by Acts of 7/23/1955 and 9/25/1962 (not listed)
Act of Congress Public Law 382	8/7/1947	Provides for Secretary of Interior to lease coal deposits, phosphate, oil, oil shale, gas, sodium, potassium and sulphur in lands acquired by U.S.	
Public Land Order 399	8/20/1947	Amends Executive Order 5389 7/7/1930 not applicable to lands within a National Forest since such lands are now under the jurisdiction of the Secretary of Agriculture.	

Miscellaneous Document Index

DOCUMENT DESIGNATION	DATE	NATURE AND EFFECT OF ACTION AND AMENDMENTS	REMARKS
Executive Order 9908	12/5/1947	Revokes Executive Order 9701 3/4/1946, which provides for the reserve of all atomic source material in disposals of lands, other than public lands, heretofore or hereafter acquired by the U.S.	Revoked by Executive Order 10596 2/15/1955; Revoked Act of Congress Public Law 681 8/19/1958
Public Land Order 614	10/19/1949	Amends Executive Order 5389 7/7/1930 does not affect lands in a National Forest or lands hereafter eliminated from a National Forest because of the proximity of such lands to any such springs in a National forest.	
Act of Congress Public Law 760	9/6/1950	Authorizes the secretary of Agriculture to sell certain U.S. acquired mineral interests in Farmers Home Administration Lands and Federal Farm Mortgage Corporation Lands.	
Executive Order 10355	5/26/1952	Revokes Executive Order 9337 4/24/1943, delegates to the Secretary of the Interior the authority of the President to withdraw or reserve lands o f the U.S. for Public Purposes. Supersedes Executive Order 9337 4/24/1943.	
Executive Order 10426	1/16/1953	Submerged lands of the continental shelf, lying seaward of the line of mean low tide and outside the inland waters and extending to the furthestmost limits of the paramount rights, full dominion and power of the U.S. over lands of the continental shelf, are hereby set aside as a naval petroleum reserve, for oil and gas only, and shall be administered by the Secretary of the Navy. This reservation shall not interfere with the use of the lands or waters within the reserved area for any lawful purpose not inconsistent with the reserve.	
Secretary Order	4/14/1953	Restoring lands in State of California within limits of the grants made to California & Oregon RR Co. by the Act of July 25, 1866 (14 Stat. 239) to Public Domain. Subj to existing valid rights & existing Wdls, these lands are hereby made available for disposal, use & Mgmt under public land laws in Terms of this order.	SO 10/1/1953 Restores additional land within limits of RR land grant to Public Domain.

Miscellaneous Document Index

DOCUMENT DESIGNATION	DATE	NATURE AND EFFECT OF ACTION AND AMENDMENTS	REMARKS
Act of Congress Public Law 31	5/22/1953	Confirm and establish title to the State to lands beneath navigable waters within State boundaries and to confirm jurisdiction and control of the U.S. over the natural resources of the seabed of the Continental Shelf seaward of State boundaries.	
Executive Order 10596	2/15/1955	Revokes Executive Order 9908 12/5/1947. The reservation of fissionable materials in acquired lands conveyed from the U.S. is revoked.	
Act of Congress Public Law 85-681	8/19/1958	Reservations of fissionable materials in any lands patented or conveyed from U.S. pursuant to Executive Order 9701 and Executive Order 9908 is released, remised and quitclaimed from U.S.	
Secretary Order	2/14/1961	Public Land Moratorium, 18 month moratorium on following types of application: Private exchange, and all other exchanges involving selection of Bureau of Land Management lands (except by state or local governments); for all types of Homestead Entry, Indian Allotment, Desert Land Entry, Public Sale, Public Purpose Sites (except those filed by state or local governments), private sale of town-lots, small-tract (except those filed by state or local governments); this does not affect Color of Title Claims; Airport leases, rights-of-way, special land use permits, withdrawal applications, petitions, applications and offers under the mining and mineral leasing laws or any application filed prior to date of this document, regardless of its nature.	
Act of Congress public Law 88-607	9/19/1964	Authorized the Secretary of the Interior to classify the public lands under his exclusive jurisdiction which were reserved by EO 6910 or within a grazing district established pursuant to the Taylor Grazing Act, in order to provide for their disposal or interim management under the principles of multiple use.	Extended to 12/31/1970. Expired
