

What to Know Before You Go

Instructions for visitors to the 2020 Meadow Valley Mountains-Delamar Mountains Emergency Wild Horse Gather

When to meet: Visitors to the gather, including all media and members of the public, must call the Nevada Wild Horse Gather Info Line at (775) 861-6700 for an update on the next day's gather activities, meeting times and location. Note: Gather operations are dependent on the weather and could change with little or no notice.

Where to meet: Visitors to the gather, including all media and members of the public, will meet in the gravel parking lot alongside U.S. Highway 93 across from and just west of the BLM Caliente Field Office, 1400 South Front Street, in Caliente, Nev. All visitors will need to sign in on the visitor's log sheet and there will be a short briefing for the day and introductions. The group, led by either a LEO or BLM Staff, will then caravan out to the gather site of the day and all visitors must stay until gather operations are completed. We may not know the exact location of these sites until the day before, therefore, it is extremely important that visitors be flexible.

Transportation: All visitors must have their own transportation – BLM staff cannot take people in government vehicles except in an emergency. The temporary holding corrals/sites will move around to several locations and the roads can get very rough in and around the Meadow Valley Mountains and Delamar Mountains Herd Areas (HAs). Visitor vehicles must have 4-wheel drive and it is recommended; the vehicles have high clearance.

Due to the distances involved within the HAs and the lack of facilities, extra gas cans are highly recommended. Visitors must have their own spare tires (we suggest multiple spare tires!). There are full-service gas stations in Caliente, but no other gas stations between Caliente and the gather area. Cell phones are also a good idea if you get stranded, though coverage cannot be guaranteed. We will travel together to and from the gather. Headlights must always be on during travel and if any vehicle has mechanical problems and/or flat tires, the caravan will stop.

Amenities / Lodging: Caliente and Pioche have ample lodging opportunities.

Weather conditions: This is eastern Nevada in December; it is advised to plan for everything. Dressing in layers is recommended due to highly fluctuating temperatures throughout the day.

COVID-19: BLM staff will escort all media and/or visitors to and from the gather site each day. The health and safety of our visitors, employees, volunteers, and partners continues to be paramount. We continue to work closely with the Department of the Interior and follow CDC guidance to ensure public and employee spaces are safe and clean for visitors, employees, partners, and volunteers.

The [CDC](#) has offered guidance to help people recreating on public lands prevent the spread of

infectious diseases. We will continue to monitor all functions to ensure that visitors adhere to CDC guidance for mitigating risks associated with the transmission of COVID-19 and take any additional steps necessary to protect public health. When recreating, the public should follow local area health orders including Governor Sisolak's [standards](#) for individuals, businesses and employers, practice [Leave No Trace](#) principles, practice social distancing and avoid high-risk outdoor activities.
