

GREAT AMERICAN OUTDOORS ACT

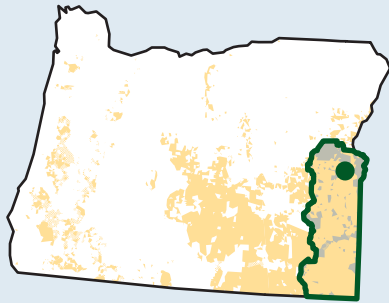

Vale District Building Renovation

Project ID: L310

Building and Structures Project

OREGON

District or Unit Name:
Vale District

Recreational Values: Camping, exhibit viewing, fishing, hiking, hunting, off-highway vehicle use, visitor center, wildlife viewing, winter activities

Description: The Vale District manages 5.1 million acres of public land in Eastern Oregon. This project will address overdue repairs at two administrative buildings within the district, reducing deferred maintenance and improving the condition of buildings used by staff and the public. The project will correct deficiencies in the Vale District Main Office by installing energy efficient lighting, and repairing the electrical system, heating and air conditioning system, and other interior features. The Ecological Site Inventory building will be replaced due to significant structural damage that occurred after a snow event.

GAOA Funding, Fiscal Year 2023:

\$4,557,000

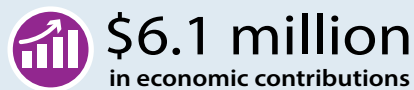

Estimated Deferred Maintenance Reduction:

\$4,678,000

Through project efficiencies and other cost-saving measures, the funding received is anticipated to address a larger amount of deferred maintenance backlog.

Total Economic Impact of Project:

Vale District Office

Ecological Site Inventory building with significant structural damage

Priorities Addressed:
