

# North Fork John Day River Interim BLM Access Map June 1, 2002

This map shows changes in land ownership and public access routes resulting from land exchanges directed by the Oregon Land Exchange Act of 2000, Public Law 106-257. The Act directs the BLM to manage these lands for the benefit of fish, wildlife, and recreation. Interim management actions are being taken while a management plan is completed through a public planning process. Some roads crossing sensitive fish streams are closed to motorized travel year-round, and some areas that provide critical deer and elk winter range are closed to motorized travel during winter months.

- <sup>a</sup> Keep ALL motorized vehicles (including ATVs) on designated "OPEN" roads
- <sup>a</sup> Roads not shown on map are closed to motorized travel
- <sup>a</sup> Motorized off-road travel is NOT permitted
- <sup>a</sup> Please respect private property by not trespassing
- <sup>a</sup> Please keep these lands clean; PACK-IT-IN, PACK-IT-OUT
