

Responsibilities for Calls for Nominations to be Published in the *Federal Register*

This attachment does not modify official guidance for the preparation of *Federal Register* notices within the Bureau of Land Management; it is merely intended to clarify the division of responsibility between the WO-600 National Advisory Committee Coordinator and State/Program Coordinators in the preparation of calls for nomination notices to be published in the *Federal Register* for advisory committees chartered under the Federal Advisory Committee Act (FACA).

Washington Office/Departmental routing of *Federal Register* notices announcing calls for nominations for advisory committee members under FACA will be coordinated by the WO-600 National Advisory Committee Coordinator.

The call for nomination notices for the *Federal Register* will be initiated as follows:

Advisory Committee	Call for Nominations <i>Federal Register</i> Notice to be initiated by:
Resource Advisory Councils (state and regional)	WO-600 National Advisory Committee Coordinator
Resource Advisory Committees (county payment committees)	State Advisory Committee Coordinator
National Landscape Conservation System Advisory Committees	State Advisory Committee Coordinator
Wild Horse and Burro Advisory Board	Program Advisory Committee Coordinator
North Slope Science Technical Group	State/Program Advisory Committee Coordinator
