Re: ***Expression of Interest***

Dear Ms. Baca:

This letter will serve as Reagan Smith Energy Solutions, Inc.'s request to place the following tracts of land on the BLM lease sale to be held April 2015:

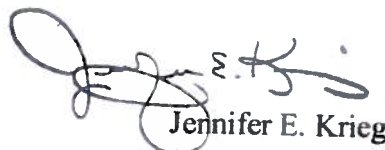

- E/2 SE/4 in Section 28, Township 15 North, Range 26 West, containing 80.00 acres, more or less;

Per our research in the BLM's LR2000 database, these said lands were under Lease No. OKNM089076. However, this lease has not produced in over two years and should therefore be expired. We are simultaneously submitting to the Tulsa Field Office requesting that the relevant Communitization Agreement (OKMN075372) be expired at the date of last production (May 1, 2012) and the lease be expired effective two years thereafter.

Additionally, the surface management agency of this tract appears to be Black Kettle NG.

Thank you for your assistance and please do not hesitate to contact me should you have any questions or comments.

Sincerely,

Jennifer E. Krieg
