EOI-201507-636-63
NM Eddy County

Hi Lisa,

Thank you for speaking with me earlier about nominating lands for the Oil & Gas Lease Sale in July 22, 2015.

I have attached an outlined plat, for lands located in Eddy County, to this email. I wish to nominate ALL OPEN FEDERAL LANDS within the outline. The outline includes lands within these Townships and Ranges:

- Township 21, Range 22 EOI201607-636
- Township 21, Range 23 EOI201507-637
- Township 22, Range 22 EOI201507-638
- Township 22, Range 23 EOI201507-639

I thought it was best to send you an outline, so I do not miss any open federal acreage within. Please contact me and let me know how to proceed.
