OK, Dewey Co
T16N-R19W

Gloria,

We wish to nominate an unleased tract of land located in Section 13-16N-19W Dewey County, Oklahoma. The 1.54 acre unleased tract is already included in CA OKNM 126585. I have attached a rather lengthy metes and bounds description of these tracts. Since this tract is already in Communitized unit, what will be required to nominate for sale?

Thank you for your help.
