Dear Ms. Baca:

Please accept this letter as a nomination of the above-referenced lands, which are more particularly described by metes and bounds on Exhibit 1 and Exhibit 2 attached, to be included in the April 19, 2017 competitive oil and gas lease sale.

Based on our review of the Deed Records of McMullen County, Texas, and the Bureau of Land Management public records, the surface of the nominated land is administered by the United States Bureau of Reclamation and the federally-owned minerals are open and available for leasing.

Should you have any questions or require any additional information, please do not hesitate to contact my office. Thank you for your kind attention to this matter.

Very truly yours,
