Subject: Expression of Interest  
0.482 acre in the city of Kenedy, Karnes County, Texas

I am an Independent Landman working for Percheron Energy which represents Statoil Texas Onshore Properties LLC in their operations in Karnes County, Texas. A title search for the subject tract revealed that the surface and the mineral estates are owned by the United States of America. We would like to enter into an Oil and Gas Lease for this tract as soon as possible.

The tract is located within the City Limits of Kenedy, Texas and is included in the 436.157 acre Kenedy Corporation Gas Unit No. 1. There will be no operations on the surface of this tract. I respectfully request that the following tract be listed in the next Notice of Competitive Lease Sale:

**0.482 acres of land, more or less, in the Carlos Martinez Fifteen League Grant, Abstract 6, Karnes County, Texas, being Lot No. Ten (10), Lot No. Eleven (11) and Lot No. Twelve (12) in Block No. Twenty-Five (25) of the Original Townsite of the Town of Kenedy, Karnes County, Texas, as shown by the map or plat of the town of Kenedy, recorded in Book A, Page 193 of the Map and Plat Records of Karnes County, Texas, and being more particularly described in that certain Warranty Deed dated April 7, 1936, from City of Kenedy, a municipal corporation of Karnes County, Texas to United States of America, recorded in Volume 108, Page 258 of the Deed Records of Karnes County, Texas, to which references are herein made for a more complete description.**

Please advise me if there are questions or if more information is needed. Thank you for your prompt attention to this matter.

Sincerely,

Gerald Freytag
