

Gunnison Sage-Grouse Seasonal Road Closures [March 15 – May 15]

The following Gunnison area roads are closed each year from March 15 through May 15 to protect the Gunnison sage-grouse and prevent road damage during muddy spring conditions. Property owners and State and Federal agencies are provided access to property and for administrative purposes. All roads except 1-4, 6-11, and 16 may be closed earlier than March 15 to prevent damage; roads reopen on May 15.
