

Notice to Bidders

On September 28, 2022 the Prospectus for the Go It LaLone Timber Sale, Contract No. ORN05-TS23-549, was advertised and posted to the BLM public website, along with the Timber Sale Notice and the Legal Ad. An error was found for the Go It LaLone Timber Sale Price listed in these documents, that showed the sale prices for all the species and overall sale price incorrectly. See the corrected prices in the Table below. Therefore, due to this misprint, the overall total price that was listed has decreased to \$2,238,278.00 for 10,049 MBF, and this is now the correct price. The Go It LaLone Exhibit B in these documents had the MBF missing on the top portion and that has also been corrected. The documents on the website have been edited to show the corrections made. Thank you for your understanding.
