SPECIAL NOTICE TO ALL PROSPECTIVE PURCHASERS

The Bureau of Land Management has determined that the 2020 fires in the Northwest Oregon District, Cascades Field Office resulted in a salvage program of sufficient magnitude to warrant the extension of time for cutting and removal without reappraisal of qualifying existing green timber contracts so that harvest operations can be expedited on the salvage timber. Therefore, Contract No. ORN01-TS-2021.0111, Fawn Creek Fire Salvage has been approved for the offer of extension credits. The purchase of this salvage timber entitles the Purchaser to volume-for-volume and contract term-for-contract term extensions without reappraisal of qualifying BLM contracts for green timber held by the Purchaser. Please contact Andy Frazier, 503-315-5979 with any questions.
