### Cross Bar SRP

Mountain bike race on the Cross Bar SRMA

**Amount Expended: \$500.00**

Local mountain bike groups utilize the Cross Bar trails for their competitive events. Although access to the property is challenging, the Cross Bar is in high demand and has become one of six locations in the Texas Panhandle that is utilized for this mountain bike race series.

### Cross Bar Trails Days

Cross Bar Multiple Use Trails

**Amount Expended: \$500.00**

The Oklahoma Field Office, along with our partners, Friends of Cross Bar, hosts quarterly "Open Trails Days" on the Cross Bar Special Recreation Management Area in Amarillo, Texas. The Cross Bar is landlocked by private lands with very limited public access. These BLM hosted events allows people an opportunity to experience their only BLM administered land in Texas. The Oklahoma Field Office is working diligently to create public access.
