

# **What to Know Before You Go Instructions for visitors to the Marietta Herd Management Area (HMA) Wild Burro Gather**

## **When to meet:**

Visitors to the gather, including all media and members of the public, must call the Marietta Wild Burro Gather Info Line at (775) 885-6101, by 5:30 p.m. to RSVP for next day's gather activities, meeting times and location. Note: Gather operations are dependent on the weather and could change with little or no notice.

## **Where to meet:**

Visitors to the gather, including all media and members of the public, will meet at specified locations that are subject to change; locations will be determined based on the location of the traps – All visitors to the gather must RSVP the night before they plan to attend gather observations. All visitors will need to sign in on the visitor's log sheet and there will be a short briefing for the day and introductions.

The group, led by either a LEO or BLM Staff, will then caravan out to the gather site of the day and all visitors must stay until gather operations are completed. We may not know the exact location of these sites; therefore, it is extremely important that visitors be flexible.

## **Transportation:**

All visitors must have their own transportation – BLM staff cannot take people in government vehicles except in an emergency. Visitor vehicles must have 4-wheel drive, off-road vehicle tires and it is recommended; the vehicles have high clearance.

The temporary holding corrals/sites will move around to several locations and the roads can get very rough in and around the HMA.

Due to the distances involved within the HMA and the lack of facilities, extra gas cans are highly recommended. Visitors must have their own spare tires (we suggest multiple spare tires!). There are full-service gas stations in Bishop, CA.

Cell phones are also a good idea if you get stranded, though coverage cannot be guaranteed. We will travel together to and from the gather.

Headlights must always be on during travel and if any vehicle has mechanical problems and/or flat tires, the caravan will stop.

## **Amenities / Lodging:**

There is minimal lodging opportunities in and near Bishop, CA.

## **Weather conditions:**

This is Nevada in the summer; it is advised to plan for everything. Dressing in layers is recommended due to highly fluctuating temperatures throughout the day.

## **What to bring:**
