***Submitting an Expression of Interest (EOI) prior to the cutoff date does not ensure the parcel will be included in the lease parcel review for the sale. If the parcel requires an action such as other surface management agency coordination or cadastral determination, the parcel will be withheld from the review process until all actions have been completed. You are encouraged to submit EOIs well in advance of the cutoff date.**

REMINDER: All EOIs require a processing fee of \$5.00/acre and if the EOI contains split estate lands, you must include the current surface owner(s) name and address. We will not process an EOI until this information is provided.

If you have any questions, please contact one of the Sale Leads listed above.
