

## NOTICE OF EXCHANGE PROPOSAL

### Proposed Dingell Act Organ Mountains-Desert Peaks National Monument State Land Exchange NMNM 143782

UNITED STATES DEPARTMENT OF THE INTERIOR, Bureau of Land Management, Las Cruces District Office, 1800 Marquess Street, Las Cruces, New Mexico 88005.

Notice is hereby given that the Bureau of Land Management (BLM) is considering a proposal to exchange lands with the New Mexico State Land Office as directed by the John D. Dingell, Jr. Conservation, Management and Recreation Act of 2019, Public Law 116-9, Subtitle C, Part I, Section 1201(d)(3), and pursuant to Section 206 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716), as amended. The exchange would consolidate land ownership for both the State of New Mexico and the United States; place State mineral interests and valuable conservation and recreation lands within Organ Mountains-Desert Peaks National Monument into Federal ownership; and place lands with revenue-producing potential located outside of special management areas into State ownership for the benefit of New Mexico's public schools and other public beneficiaries. The Federal and non-Federal lands that are being considered for exchange are located in Doña Ana, Grant and Luna counties, with isolated parcels in Hidalgo County in southwestern New Mexico.

The following described Federal land is being considered for exchange by the United States:

This exchange would be completed on an equal fair market value basis and would be based on the approved appraisals. This exchange is consistent with the Dingell Act PL116-9, Subtitle C, Part I, Section 1201(d)(3) and the Presidential *Establishment of the Organ Mountains-Desert Peaks National Monument Proclamation*, dated May 21, 2014. The proposed exchange would comply with the 1993 Mimbres Resource Management Plan and an associated environmental analysis.

Both the Federal and non-Federal lands and interests would be conveyed subject to valid and existing rights and encumbrances of record. Subject to limitations prescribed by law and regulation, a holder of any right-of-way on the Federal lands may be given the opportunity to amend the right-of-way for conversion to a new term, including perpetuity, if applicable, or to an easement prior to the issuance of a Federal patent or quit claim deed.

Interested parties may submit comments concerning liens, encumbrances, or other claims relating to the lands being considered for exchange, to Treaver Ashby, Realty Specialist, BLM Las Cruces District Office, 1800 Marquess Street, Las Cruces, NM 88005.

An environmental analysis conducted in accordance with the National Environmental Policy Act (NEPA) of 1969 (42 U.S.C. §§ 4321 et seq.) and other required resource reports will be prepared to identify the environmental impacts of the proposed exchange. The BLM intends to utilize the

NEPA process to help support compliance with applicable procedural requirements under the Endangered Species Act (16 U.S.C. 1536) and Section 106 of the National Historic Preservation Act (54 U.S.C. 306108) as provided in 36 CFR 800.2(d)(3), including public involvement requirements of Section 106. The information gathered from public involvement concerning historic and cultural resources and threatened and endangered species within the area potentially affected by the proposed exchange will assist the BLM in identifying and evaluating impacts to such resources.
