**NOTICES**

**Paperwork Reduction Act: of 1995**  
According to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501, *et seq.*), no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 1004-0206. This information is needed by the BLM to administer public lands for authorized solar and wind energy resource use. This information is required to obtain or retain a benefit. The authority for that requirement is provided by the Federal Land Policy and Management Act of 1976, which authorizes the Secretary of Interior to promulgate rules and regulations for authorizing and managing public lands. This statute authorizes the Secretary of Interior to issue authorizations for the use and occupancy of public lands administered by BLM. The Secretary of Interior's regulations at 43 CFR 2800 establish procedures for issuing those authorizations.

**Estimated Burden Statement**  
We estimate the public reporting burden for this information collection to be 2 hours per response. This burden estimate includes time for reviewing instructions, researching existing data sources, gathering and maintaining the needed data, and completing and submitting the information. You may submit comments regarding the burden estimate or any other aspect of this form to U.S. Department of the Interior, Bureau of Land Management, 1849 C Street, NW, Room 2134LM, Attention: Information Collection Clearance Officer, Washington, D. C. 20240. or email: BLM\_HQ\_PRA\_Comments@blm.gov.

**Privacy Act of 1974**  
The Privacy Act of 1974 (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552) govern the confidentiality to be provided for information received by the BLM. Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for review instruction, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
