Donna,

Unfortunately, we will have to reschedule this meeting. I'm very sorry for the late reply but due to the media leak last week and the number of responses required for the permit clarifications, we have further internal work, discussion and approval before presenting on seismic and returning our responses. It is not our intent to not move this forward, we will reschedule as soon as we can.

Regards,

Rick

Hi Rick,

The sooner we can get the link this morning the better. I will need to e-mail it out to people that aren't in Fairbanks, both BLM and USFWS.

Thanks,

Donna

Rick

Can we use your skype meeting? Then we can share the power point.

Thanks Sue,

Do you have the website that people would sign on to to participate?
