Hassayampa Field Office

The Bureau of Land Management (BLM) might best be described as a small agency with a big mission and a lot of ground to cover. As the Nation's largest land manager, the BLM is responsible for more than 260 million acres of public land—nearly one-eighth of all land in the United States—and 700 million acres of Federal subsurface mineral estate nationwide.

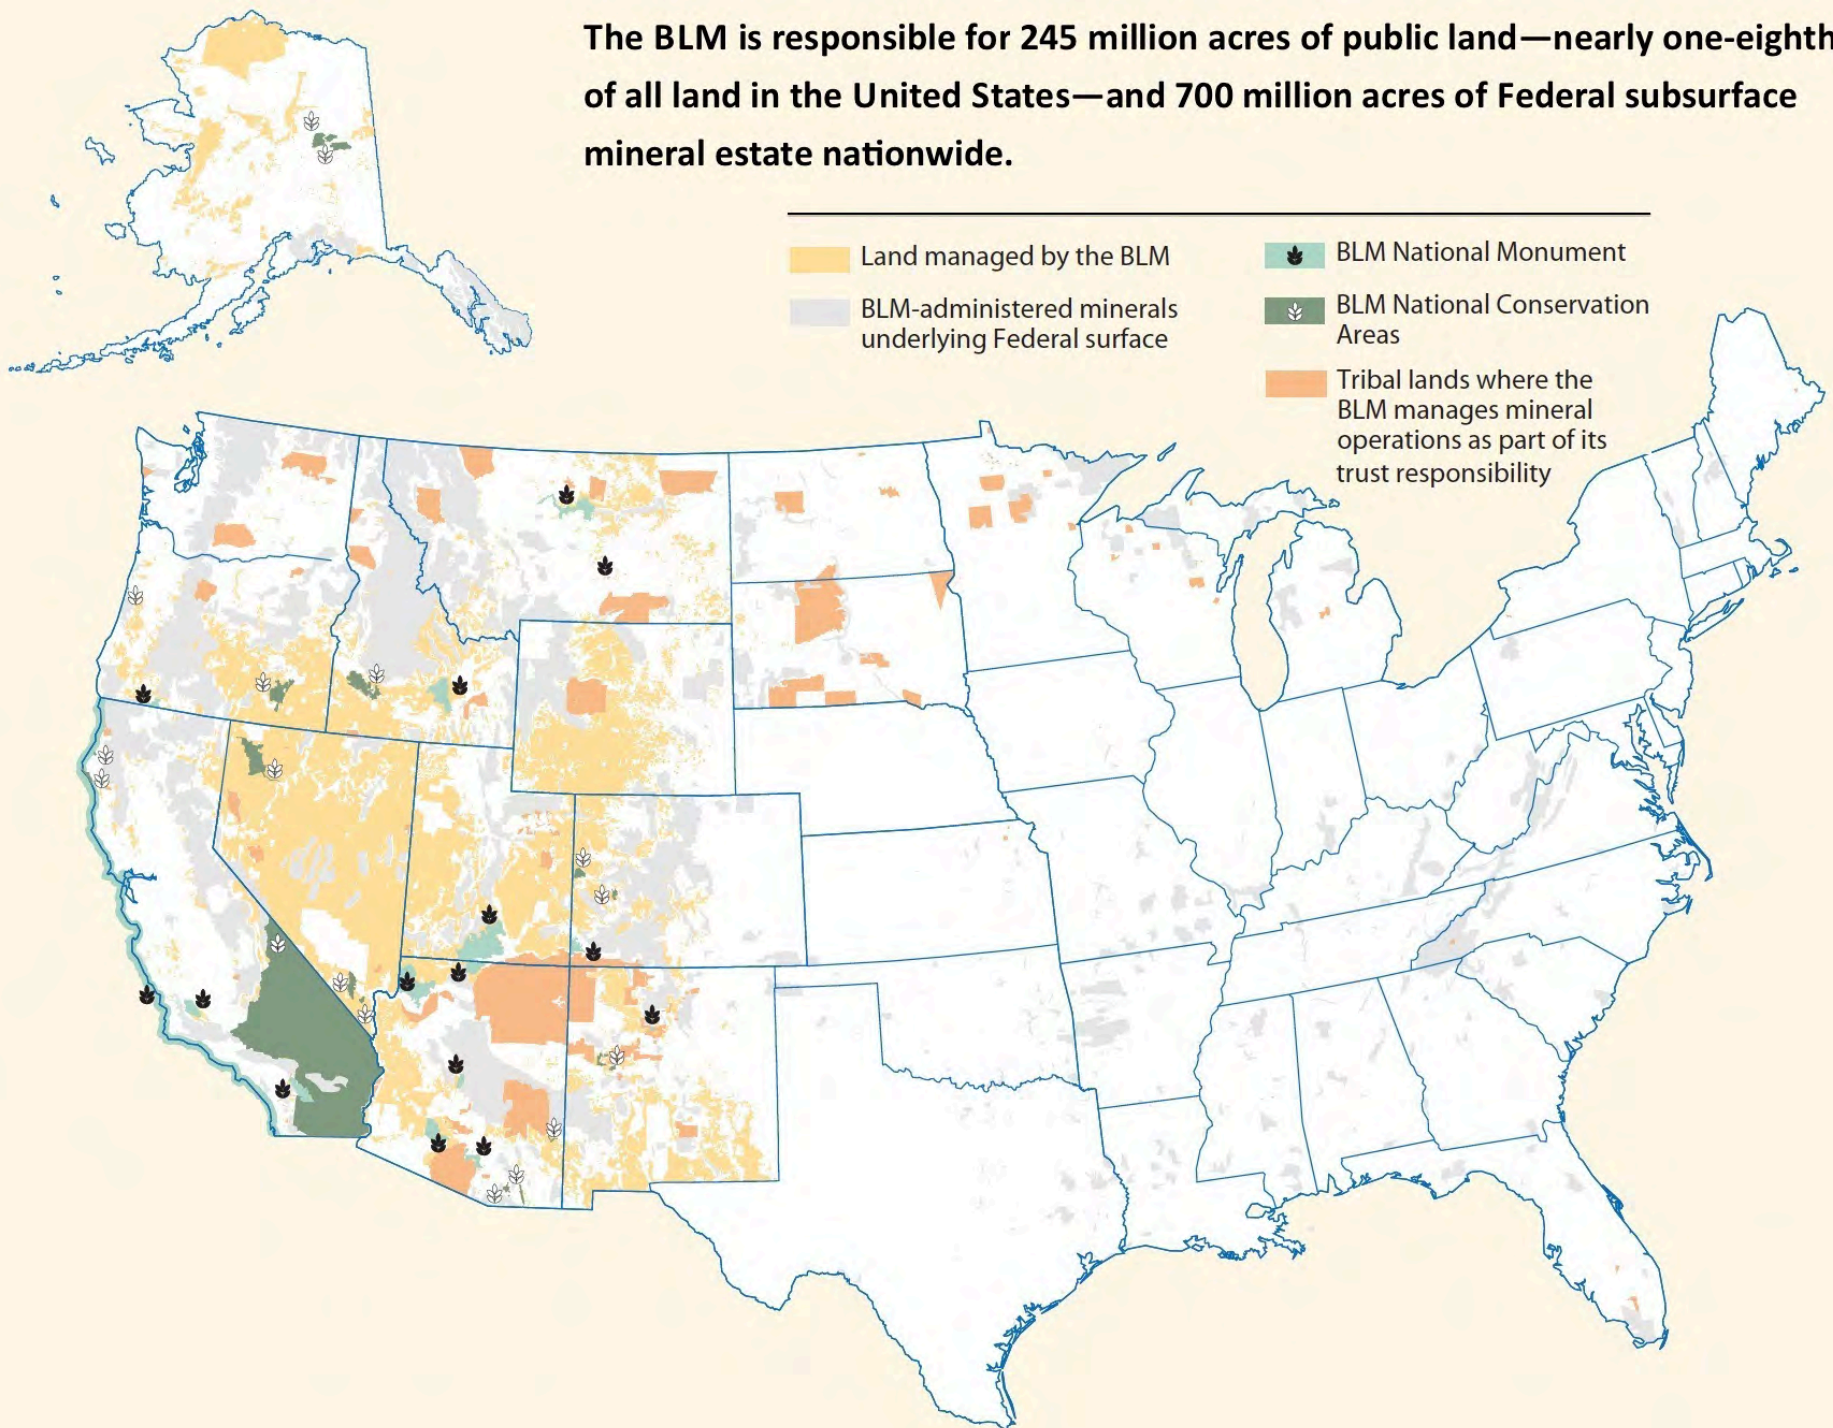

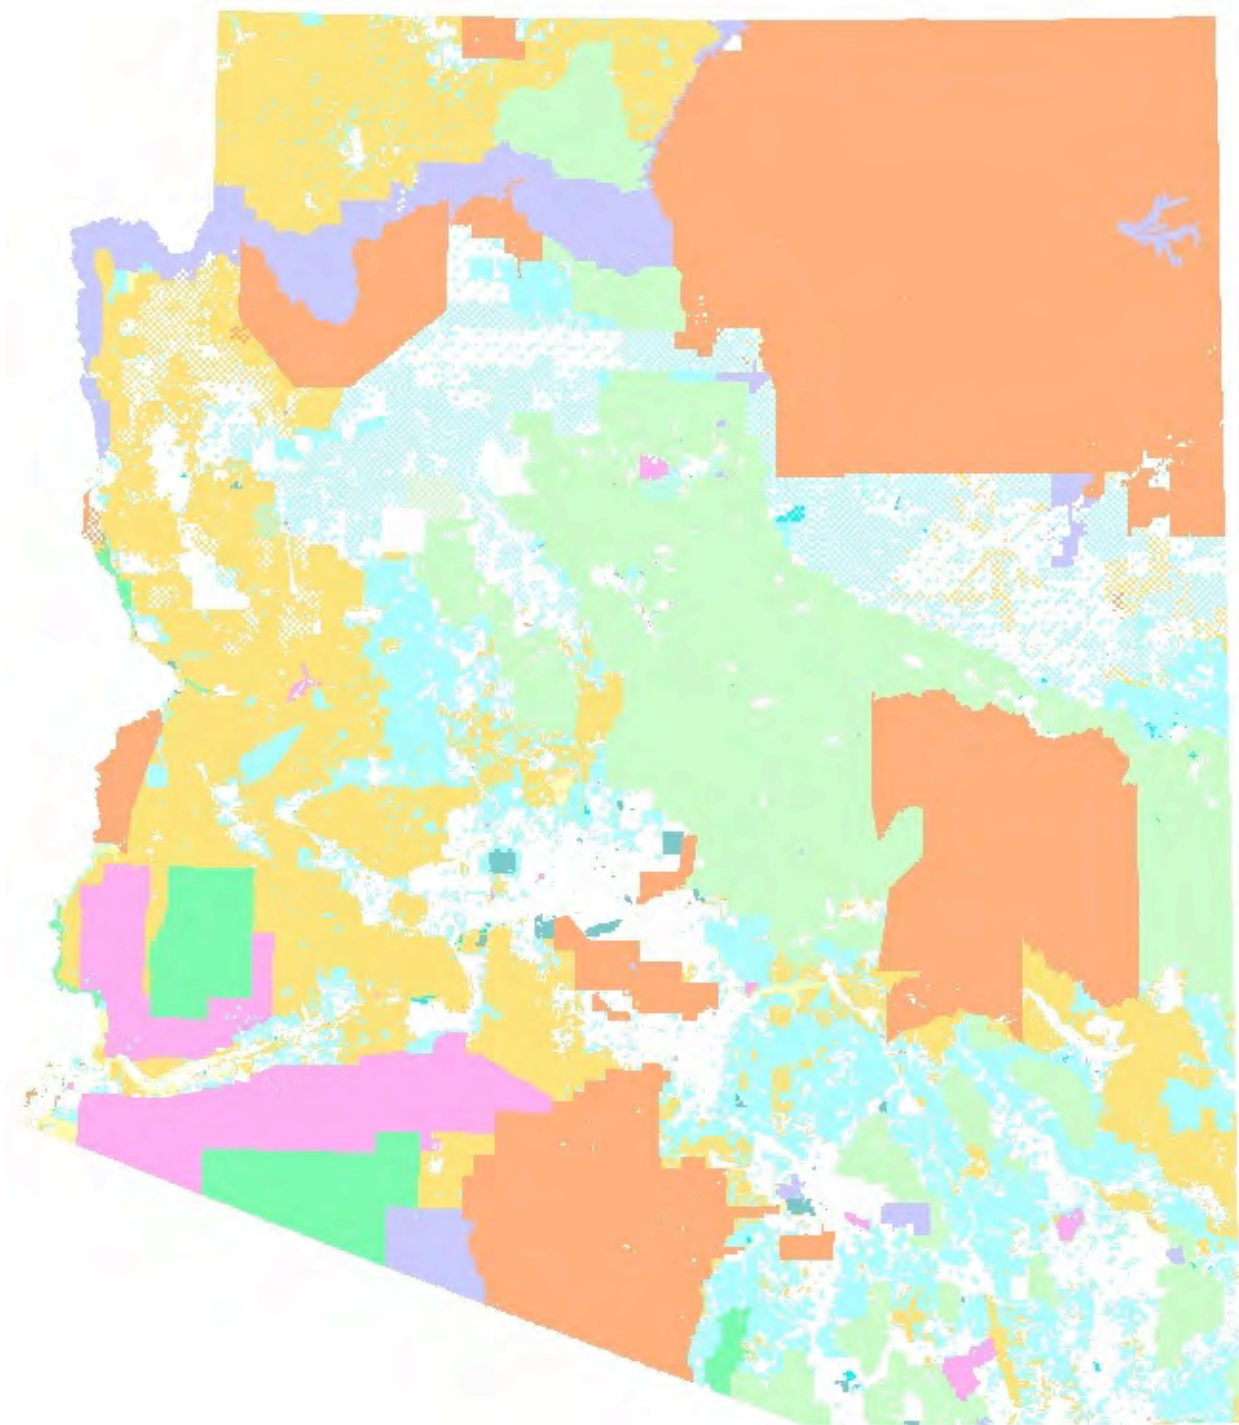

The BLM is responsible for 245 million acres of public land—nearly one-eighth of all land in the United States—and 700 million acres of Federal subsurface mineral estate nationwide.
