Shelby,  
I have reviewed the Class III Draft report they provided us. I have a few minor changes for them. Should I work through you to get the changes and a Final draft or may I contact the contract archy directly (EPG)? I am not sure if EPG or Westland Resources is who I should contact on this. Please advise. Thank you.

Hi Chris, I compile all the comments and suggestions into into a single communication with Westland. Did you use the pdf that has the line numbers? By the way, I have attached the info I found on the state survey site about the old Kirkland Tuff Quarry. Thanks you!
