Patrick: FYI, I had Dave start drafting a briefing paper for the State Director. Here's the draft that Dave sent a cc of to Jeff Garrett in the State Office. It's pretty good but is still definitely draft. Anyway, Jeff shared it with Becky Heick who called me concerned that we do a briefing for Ray soon.

She also got a copy of Adam's very preliminary comm plan on the subject, that shouldn't have gone to the State Office yet. No harm done. We or you or I just need to brief Ray soon.
