Thursday, March 2, Wyoming State Office

- 8:00 a.m. Opportunity for public comment.
- 8:30 a.m. Nominate and select a new Resource Advisory Council Chair and Vice Chair.
- 9 a.m. Introduce the new website to the RAC and ask for comments on how to improve the navigation and content.
- 10:30 a.m. Begin a facilitated discussion where the RAC members will provide suggestions to the State Director on what issues they have been hearing about from their communities and then a list will be developed to keep track of what those suggestions are. The RAC, State Director, Deputy State Directors and District Managers will then prioritize the suggestions based on importance and if the State Director agrees on whether or not the RAC can assist with the topics and if they in turn coincide with her priorities.
